

## **BlackBerry 7290 Easy Email Setup** **(For ISP and BlackBerry-based e-mail addresses)**

Rogers makes setting up your wireless e-mail service quick and easy. Before beginning, please ensure you have everything you need to begin enjoying the time-saving benefits and convenience of sending and receiving wireless e-mail on the go.

### **Wireless E-mail Checklist:**

- E-mail-capable wireless device
- E-mail Plan
- ISP-based E-mail Address

#### **STEP 1      Insert the SIM card and the battery into your wireless device**

- Charge your device for 20 minutes

#### **STEP 2      Turn on your wireless device**

- Ensure EDGE or GPRS appears on screen (indicates device is connected to the Rogers wireless network)

#### **STEP 3      Set up your wireless e-mail service**

- Click onto the **Email Settings** icon from the home screen by clicking on the trackball and follow these steps:
  1. Read the Legal Terms and Conditions carefully
  2. Click the **Yes** radio button and click on **I Agree** if you agree with the conditions and wish to continue with the setup process
  3. Select one or both of the following options:

##### **OPTION 1 - Add an e-mail account**

- Enter an existing e-mail address and password
- Click **Next**. You will receive a confirmation message. Click **OK**
- To add another e-mail account click on **Add an Email Account**

AND/OR

##### **OPTION 2 - Create a BlackBerry-specific e-mail address (i.e., [yourname@rogers.blackberry.net](mailto:yourname@rogers.blackberry.net))**

- Click on **Create a BlackBerry e-mail address**
- Enter a **User name** (if the user name entered is available, a message will be sent to the BlackBerry letting you know the account was successfully created). Click **OK**.

4. Click **Logout**

#### **STEP 4      Send e-mail on the device**

- Select **Messages** icon
- Depress trackball, depress the submenu button located left of the trackball, scroll the trackball down and select **Compose Email** by depressing trackball again.
- Enter recipient's e-mail address
- Enter subject and type in your e-mail message
- Depress trackball and select **Send** by depressing trackball again.
