Use the Firefly phone's , , and  keys to select menu choices.

Here's how the Firefly phone works

Turning your Firefly phone on or off

Just press and hold  for a few seconds.

Making calls

To call Mom or Dad

1. Press  or .
2. Press  to place the call.
3. Press  to hang up.

To call someone from your Phone Book

1. Press .
2. Use <- and -> to scroll to the name and number of the person you want to call.
3. Choose OK when you see the name and number of the person you want to call.
4. Press  to place the call.
5. Press  to hang up.

To make an Emergency Call

Emergencies don't happen very often. But if you or someone you know really needs it, your Firefly phone can call for help right away.

1. Press and hold the Emergency Button for 3 seconds.
2. Release the button when you see **Emergency Call** appear on the display.
3. Press  to place the call.
4. Press  to hang up.

Never use the Emergency Button unless there is a real emergency. It will immediately connect you to police, fire, or ambulance services.

Getting calls

To answer a call

1. Check the display to see who is calling.
2. Press  to answer the call.
3. Press  to hang up.

To use call waiting

If you're talking to one person and another person tries to call, you'll hear a beep. Look at the display to see who's calling.

1. Press to answer the new call. The phone will automatically put the first caller on hold.
2. To ignore the new call, choose BYE.
3. If you want to switch back and forth between the two calls, choose SWAP.
4. When you're finished talking to that caller, just press . The call on hold will be reconnected.
5. When you're ready to hang up, just press again.

To see missed calls

If someone tries to call you while your phone is on and you aren't around to answer it, you can see the calls you missed.

1. Your Firefly phone will tell you how many calls you've missed since you've been away from your phone.
2. To ignore the list of missed calls, choose IGNORE.
3. If you want to see the list, choose READ.
4. You can use **->** to see all the calls you missed. Then choose **BACK** to return to the normal display.

Personalizing your Firefly phone

Part of the fun of Firefly™ is designing how it sounds and looks yourself.

To choose ring tones

You can give a unique ring tone to your Mom, Dad, and Phone Book numbers.

1. Press and hold until you see **Enter PIN**. ("PIN" stands for "personal identification number." Don't worry, though; you don't have to enter one.)
2. So... choose **SKIP**.
3. Scroll through the options by choosing **NEXT** until the display says **Ringers**.
4. Choose **OK**. Pick which key you want to give a ring tone to by choosing **KEY**.
5. Choose **OK**. A ring tone choice will appear on the display.
6. If you want to hear more ring tones, just choose **RING**.
7. Choose **OK** when you hear the ring tone you want to use. The display will show the words **Saved**, then **Ringers** to show you that the phone has recorded your choice.
8. Choose **NEXT**, then **EXIT** to leave the menus and return to the phone's normal display.

To choose display colors

You can give a unique display color to your Mom, Dad, and Phone Book numbers.

1. Press and hold  until you see **Enter PIN**. Choose SKIP.
2. Scroll through the options by choosing NEXT until the display says **Display Colors**.
3. Choose OK. Pick which key you want to give a color to by choosing KEY.
4. Choose OK. The color choice will appear on the display.
5. Check out the first display color. If you want to use it, just choose OK.
6. If you want to see more colors to choose from, choose COLOR.
7. Choose OK when you see the color you want to use. The display will show the words **Saved**, then **Display Colors** to show you that the phone has recorded your choice.
8. Choose NEXT, then EXIT to leave the menus and return to the phone's normal display.

To choose animations

1. Press and hold  until you see **Enter PIN**. Choose SKIP.
2. Scroll through the menus by choosing NEXT until the display says **Options**.
3. Choose OK, then scroll by choosing OPTION until the display says **Animation**.
4. Choose OK, then scroll through the list until you find an animation choice you want to try.
5. If you want to use that choice, choose OK.
6. If you want to see more animation choices, choose MORE. Then choose OK when you find the animation you want to display.
7. The display will show the words **Saved**, then **Animation** to show you that the phone has recorded your choice.
8. Choose OPTION, then NEXT, then EXIT to leave the menus and return to the phone's normal display.

Firefly Fireworks™

What's a firefly without its lights? Just another bug. Press the Firefly Fireworks™ button to see your Firefly phone light up with 7 different colors! The animation you choose will play and all of the phone's lights will flash for 30 seconds.
